

St. Louis Region Solo Program

Approved by the SAC 8/1/12

Procedure for when more than one person wants to do a chief's position for the next year.

If someone wants to "apply" for a chief's position for the next year they can do so by stating this to the SAC via email to sac@stlsolo.org .

APPLYING

The SAC chairman will then ask both the current and the applying person(s) to submit **in writing** what their vision of the position for the next year is and send it to the SAC chairman by a certain date. ie: What they want to do to make it better, update it, or maintain it.

These will be posted on the website asking for any comments on them to be sent to sac@stlsolo.org . They will also be forward to the SAC before the voting meeting.

VOTING

Before the voting begins, the Chairman will count the attending SAC members at the voting meeting and if there is an even number voting the chair will also vote, if there is an odd number the chair will not vote. All SAC members must vote for one of the people, unless they announce their intention to abstain before the voting starts (to assure there is not a tie vote).

Each member of the SAC in attendance will read them and then vote on a secret paper ballot. Ballots will be counted by the Treasurer and Secretary (unless one of them is involved).
